

A.camineti

ABOUT US

For more than 27 years Acaminetti company from a small Italian family business has developed into a large company that meets all the requirements of customers.

Acaminetti adheres to all standards, simplicity in reliability and refinement in design. A.caminetti has been committed to generating heat conveniently, economically, with environmental responsibility and in accordance with demand. With a wide variety of outstanding product developments and problem-solving solutions, A.Caminetti has created milestones that have often made them the trailblazer and trendsetter for their entire industry. A.Caminetti orientation is decisively international - as it exports in Europe,Asia,Africa

-The quality of the materials made, the ease of operation and reasonable prices will not leave indifferent even the most demanding buyer.

-Glass in A. Caminetti stone furnaces are presented in such types:

- Prismatic glass*
- Flat glass*
- Corner glass*
- 3 side glass (3D)*
- 4 side glass (4D)*

A. Caminetti fireplace inserts have the following characteristics:

- Each model can be order under individual SIZE*
- The fireplaces are made of steel, which provides you with reliable use for decades*
- Guarantee in 5 years will allow you to be calm and confident in the reliability of the company*
- Fuel for briquettes and firewood*
- High power will provide heating even a large room*
- ISO 9001:2008 standards guarantee you quality*

A.caminetti glass model

-  Prizma glass
-  Flat glass
-  3-side glass
-  4-side glass

A.caminetti fireplace have the following characteristic

-  The fireplaces are made of steel, which provides you with reliable use for decades
-  The 5 year warranty will allow you to be calm and confident in the reliability of the company
-  Fuel on briquettes and wood
-  High power will ensure the heating of even a large room
-  The standards of ISO 9001: 2008 provide a quality guarantee
